

「手作園林」製作步驟 Instructions for DIY kit

虛線：折疊線
Dotted line: fold here

粗黑線：分割線
Bold black line: cut here

灰階部分：移除區域
Grey area: remove

綠色色塊：黏貼處
Green block: apply glue

1

預備所需工具：手工園林模版、剪刀、美工刀、膠水/雙面膠紙

Tools required: framed garden template, scissors, utility knife, and glue or double-sided tape.

2

將正反兩面畫框內的灰階部分沿黑線移除剪掉。

Use the utility knife to cut out the grey areas inside the framed boxes on both the front and back sides along the black lines.

3

沿黑線剪開。

Cut along the black lines with the scissors.

4

將紅線摺至藍色虛線處，預留「黏貼處」。

Fold the sections along the red lines towards the blue dashed lines, leaving the "gluing area" exposed.

5

在「黏貼處」塗膠水向內摺疊黏合。

Apply glue to the "gluing area", fold inwards and press firmly to bond.

6

把紙張沿虛線折出四等分。

Fold the paper along the dashed lines into four equal sections.

7

依照不同的形狀標記，把相對應的標記「黏貼處」貼好。

Match the shape markings and attach the corresponding labelled "gluing areas" together.

8

把前後兩側突出部分沿虛線摺，向內收入形成畫框側面。

Fold the edges on both sides on the front and back along the dashed lines and press them inwards to form the sides of the picture frame.

9

完成。
