AUGUST 1971

MUSEUM

The permanent display of Chinese antiquities which includes ceramics, jade, lacquer, and cloisonné remains unchanged.

ART GALLERY

The entire gallery will be closed until 19th August for the installation of a new lighting system. We hope visitors will find our exhibitions much better illuminated after this work is completed.

Children's Art Exhibition (20th August to 10th October)

This is our sixth exhibition of children's art from Hong Kong schools, which we organise every two years. In the exhibition this year we have drawings, paintings, prints, sculpture and many examples of craft work of different kinds. Thousands of entries have been received from nearly 300 schools.

The exhibition reveals once more the rich imagination and invention found in child art - qualities which make this display compelling for children and adults alike.

We are delighted that thirty of the pictures from our exhibition have been selected for the "Children's Pictures from Asia" Exhibition which will be held in Paris next year. The exhibition which is organised by Air France also include children's paintings from Japan, the Philippines and Thailand. Two children from each country will be invited for a holiday in Paris by Air France as a prize for the best paintings in the exhibition.
