前言

藝術史學家常以一套既定的標準來研究藝術；普通人對藝術的理解多憑藉其過往現實生活的經驗。兩者的瞭解與欣賞力都受到一定的局限，換言之，成人的想象力很容易為一套已定的觀念和經驗所規範。這種現象受到很多藝評家及藝術教育者所關注。

這個比賽及展覽旨在鼓勵青少年深入瞭解亨利摩爾的藝術，並盡他們所能去表達自己的所見所感。他們均能擺脫成人先入為主的觀念和經驗的羈絆，展示其澄明的心境和自由奔放的想象力。

是次展出的圖畫，都是重新演繹亨利摩爾藝術的成果。作品中的圖像是否與原作相似已非重要的問題，更重要的是青少年怎樣透過他們的圖畫來表達自我。事實上，才智、心思、創造力及想象力不單是偉大藝術家的先決條件，同樣亦是所有促進人類發展的藝術、科學及社會事業所必需的。這些特質正是這類活動所希望發掘及培養的。

在過往多年，市政局經常與個人及社會團體携手推廣同類型活動。在是次展覽籌備過程中，感謝教育署鼎力協助，與各中小學聯絡；特別多謝郭樵亮先生及教育署全寅的熱忱及努力。我們亦要向是次比賽評判團——陳炳添、李福華、文樓及楊懷俸諸位先生致以衷心謝意。最後，謹向校長們、美術老師們致謝，本展覽得以成功舉辦，胥賴他們的鼎力合作與支持，有以致之。

唐朱錦鸞

香港藝術館館長

一九八六年二月

Foreword

A trained art historian often approaches art with a prescribed set of criteria. A layman's understanding of art is usually determined by his past experience with the material world. For both the art historian and the layman, their understanding and appreciation is confined within their frame of reference, that is, assuming that their imagination is hampered by a predisposed set of concepts and experiences. The pre-conditioning of the adult mind is a cause of concern for many critics and art educators.

This competition and exhibition encourages the young people to look very closely at the art of Henry Moore and to use their faculties to express what they see and feel. Other than their pencils, brushes and paper, these young people have at their disposal an uncluttered mind, a free rein of imagination and without the perceptual constraints that often limit their adult counterpart.

The pictures of this exhibition are products of re-definition and re-interpretation of Henry Moore. Whether these pictures are any more or less than their original is unimportant. What is important is how these young people have expressed themselves through the pictures. Indeed, talent, ingenuity, creativity and imagination is not the pre-requisite of great artists alone, it is a pre-requisite in every artistic, scientific and social enterprise that spur humanity to advance. These are the qualities that we try to uncover and cultivate in this competition and exhibition.

In the years past, the Urban Council has often joined hands with individuals and organisations in the community to promote activities of this nature. Throughout the organisation of this exhibition, we are grateful to the Education Department in liaising with thousands of local primary and secondary schools. We are particularly grateful to Mr. Kwok Chiu-leung and his staff for their dedication and hardwork. We would also like to express our sincere thanks to our panel of adjudicators: Mr. Chan Ping-tim, Mr. Aries Lee, Mr. Van Lau and Mr. Yeung Wai-feng. We are equally thankful to many headmasters and art teachers in schools whose support is a very major contribution to the enthusiastic response and success of this exhibition.

Christina Chu Tong
Curator
Hong Kong Museum of Art
February 1986
