Artist Ross Yau focuses on the practice and research of ink art. His work, *Mountains Beyond II*, employs a panoramic composition that allows viewers to step inside the installation, where they are enveloped in a continuous landscape of Hong Kong's northern and southern uninhabited islands. During his residency, he will share his creative journey and lead a hands-on experience in the art of rubbing. Follow the rhythmic flow of ink on a journey through shifting scenery.

Residency dates: 2026.06.13, 20 & 21 (11:00 am–6:00 pm)
