

創作現場

Live: The Studio

藝術工作室是靈感蛻變為作品的第一現場，蘊藏着開放與未知，充滿實驗與創新的能量。「創作現場」將展場轉化為開放式工作室，邀請觀眾親身走進藝術家的創作空間。

參展藝術家將於特定時段駐場創作或主持活動，將無形的靈感逐步轉化為具象的藝術表達，並與觀眾直接交流。觀眾得以親身見證藝術家的創作過程，並深入理解作品背後的故事、情感與哲思。

The artist's studio is the primary space where inspiration materialises into a work of art, a place harbouring both openness and the unknown, charged with the energy of experimentation and innovation. "Live: The Studio" transforms the gallery into an open studio, inviting visitors to step into the artists' creative space.

Participating artists will be present at scheduled times to create or host public programmes, translating intangible inspiration into tangible artistic expression, and to engage with the public. This offers visitors an opportunity to witness the creative process first-hand, gaining deeper insight into the stories, emotions and concepts that underpin their works.
